

CHANNEL COATINGS & APPLICATORS - URETHANE

STOCKING POLICY ON CHANNEL COATINGS

Jayhawk does not stock channel coatings in our warehouse, both because of the limited shelf life of the paint and in an effort to make sure your orders will always be out of the same batch to insure exact color matches. We can drop ship all paint orders to any open account customer, and you will usually get it in about two weeks. Due to the fact that all orders are custom made specifically for you, paint orders are non-returnable, non-refundable.

CHANNEL COATING COVERAGE

Urethane: 4 to 6 gutters or 5 to 7 cappings per gallon. 8 dividers.
8 masking units

Note: Surface ball returns can get more cappings covered per gallon due to less area to be painted.
