

JAYHAWK/BRUNSWICK
TOGETHER TO BRING YOU THE
BEST!!

CAPITAL EQUIPMENT AND MODERNIZATION

For the past 30 years, Jayhawk Bowling Supply has been a Genuine Brunswick Parts and Supply Distributor, warehousing and selling parts and supplies to our customers locally.

In the past thirteen years, Jayhawk has represented, sold and installed the Brunswick Capital Equipment product line to our customers in Kansas, Nebraska, Missouri and Iowa. Jayhawk continues to actively sell and install Brunswick's Scoring Solutions, Frameworx Modernization, Frameworx Tier Masking Units, Automated Pinball Wizard, Pro-Anvilane Synthetic Replacement Lanes and the GS-Series Pinsetters. Jayhawk also continues to warehouse all Brunswick parts, supplies and MAX pins.

Gerry Keslar

Jayhawk's continued promise to you, "our customer", is to continue to bring you the best products and best service possible! Jayhawk Bowling Supply is pleased to have Gerry Keslar back on the team as our Brunswick Capital Equipment Sales Manager. Gerry is a longtime veteran of the bowling world in the Midwest, both as an accomplished bowler and then later as a resurfacers, mechanic, installer and Pro Shop specialist for many years here at Jayhawk. For the past several years Gerry served as National Sales Manager for the Ebonite Corporation's Vantech Automatic Scoring and Capital Equipment Division. Gerry has a wealth of experience and a lifetime commitment to customer service. And he is excited to be at Jayhawk getting back to his "old stomping grounds," and helping you the customer have the best bowling alley available!

Jayhawk and Gerry can assist you in all areas of bowling center modernization, to launch ideas and enhance your profitability. Jayhawk Bowling Supply looks forward to working with you on any project ideas you have to enhance your bowling center needs.
